

**UBDR GOLD IS**

***FAST!***

**HOT BACKUPS. BUSINESS CONTINUITY. CONTINUOUS DATA PROTECTION.**

UBDR Gold is the quickest and easiest way to bring a failed server back online. The pioneering bare metal recovery solution can restore a machine in less than 15 minutes. Insert the universal UBDR Gold boot CD or USB key, and press the power button. It's just that simple. Anyone can restore an unbootable server in the absolute minimum amount of time. UBDR Gold can also be 100% scripted so no user interaction is required. Technology doesn't have to be complex, it just has to be good.
